

We need your support hosting our next Job Exploration Trip this *SUMMER*

LukeCamp, is a 10 week summer day camp in Southwest Cobb, College Park and West Atlanta that serves underserved children age 7-14. We partner with companies who host 1 - 2 hour, 1/2 day or full day Job Exploration trips where campers learn about your company

BERKADIA Day 1 & UNUM Day 2

and discover future career opportunities first hand. When a camper puts eyes on a “career target” it is much easier for them to aim and hit something they have actually seen.

LukeCamp JobX Model

We cannot wait to depart for our next Job Exploration trip for a day

filled with adventure based hands on learning.

LukeCamp creates opportunities for campers to meet new people and experience different parts of the city.

For additional information on planning a Job Exploration Day at your company please email info@thelukeproject.org or call 678-754-7700.
